

# REVOLUTION Motorhomes

## DESIRE SL26w (Wheel Chair)

Expanded Living Mode

### Custom Disability Options include

- \* Electric 12 volt bed head lifts.
- \* Lift Hoists & Roof tracks.
- \* Alternate Wheelchair lift units.
- \* Wheelchair Docking stations.
- \* Disability Driving Conversions.
- \* Extending Vanity and sink.

To allow able bodied persons to easily enter or exit the motorhome via the standard wheelchair access door, Revolution install a Split platform wheelchair Lift and 12 volt electrically operated entry steps.

Optional 12 volt elevating bed heads. allow the person in bed to more easily sit up eg. to watch TV or better engage in what's going on around them.
